ABOUT GRACIE TORRES

GRACIE TORRES currently serves as a member of Western Municipal Water District and works for Riverside County's Flood Control and Conservation District. She earned her bachelor's in chemistry and master's in environmental science from California State University, San Bernardino. **GRACIE** co-founded and helped bring regional funding to create local jobs, developed a local scholarship fund to support aspiring STEM professionals, and voted against increased tax rates. Torres and her family are longtime residents of Riverside and she's raising her three children in the community. Learn more at gracietorres.com

THE BEST CHOICE FOR A BETTER RIVERSIDE COUNTY

GRACIE TORRES FOR COUNTY SUPERVISOR

As a mother, scientist, nonprofit leader and water boardmember - **GRACIE TORRES** has proven to be a tough and effective leader who fights for the community. With cost of living and taxes rising due to poor leadership, **GRACIE** has a proven track record of standing for working families and addressing economic community concerns head on. As our next supervisor, **GRACIE** will bring her experience and vision for the future to make Riverside County a better place to live for all of us.

ADDRESS HOUSING AND INFRASTRUCTURE NEEDS

As one of the fastest growing counties, we must build housing, roads, sewage, and upgrade our existing infrastructure to ensure that **Riverside County families can access affordable housing, safe roads, and clean water.**

JOB CREATION IN THE INLAND EMPIRE

Focus on workforce development within the Inland Empire for communities historically left out of job opportunities. **Ensure County employees are paid equitably, and jobs are not outsourced outside the county.**

INVEST IN PUBLIC SAFETY AND ECONOMIC RELIEF

As cost of living rises, create regional partnerships to address homelessness, mental health, and provide tangible economic relief. **We must create a better Riverside County for everyone.**

VOTE FOR GRACIE TORRES ON TUESDAY, MARCH 5, 2024
